Welcome back to school after the wonderful long weekend. Although this week is almost over, there is certainly lots happening in the school, hence the need for this week's circular!

FUN DAY Fundraiser:

We are still in the final stages of our Fun Day Fundraiser and still collecting in the last of the Raffle money! The main prize is a **R3000 Voucher** from Hirsch's Homestore and there are lots of other prizes which will appeal to all ages. The last day for the return of Raffle sheets is **FRIDAY, 4th May 2018**. For every sheet sold, your child receives 2 free entries into the draw! The **RAFFLE draw will take place on Tuesday, 8th May 2018** where after an updated list of sponsors and donors of prizes will be issued along with the TOTAL SUM raised.

We are still collecting prizes if you wish to make a donation! Anything will be greatly appreciated as it makes the draw so much more exciting for the children.

Thank you very much to those who have already donated prizes.

ENTREPRENEURS MARKET DAY:

This takes place on **Friday 4th May from 11h30 to 12h30**, providing an opportunity for our budding entrepreneurs to test their marketing and selling skills and the shoppers to experience managing their money!

Registrations for tables closed today. Posters will be displayed in the school advertising the goods available. All parents, grandparents and friends are welcome to visit the Market on Friday. The doors will open at **11h30**. Children should bring small change to school for the Market Day and a shopping bag.

PLEASE NOTE: This is a normal school day which ends at 12h45.

Sometimes parents/grandparents come to shop and then wish to take children home a little earlier than usual. Children will only be permitted to leave from 12h30 and **MUST BE SIGNED OUT BY THEIR CLASS TEACHER**. In other words, parents, grandparents, friends may not simply take children home without permission from the CLASS teacher.

As the MARKET DAY clashes with **the Grade One Ball Skills** programme a change has been implemented for one day only!

GRADE ONES are to have their BALL SKILLS programme on THURSDAY, 3rd May 2018. This means Grade Ones should come to school on **THURSDAY, DRESSED IN P.E. KIT**

LAST WORD:

Children learn more from what you are than what you teach.
